Deduct meter must be purchased through Tremonton City.

² Note: The deduct meter size will be determined by Tremonton City Corporation. Tremonton City Corporation may, if they feel it is necessary, do an onsite inspection to determine the appropriate location of the deduct meter to insure that only outdoor water usages are being deducted.

Tremonton City Corporation will require that the meter be installed in a manner that it may easily be removed and repaired when need be. The meter has to also be installed as to allow the Radio Unit to properly function. All installations will be in compliance with Tremonton City's typical water connection standards.
