

Tremonton Basketball uses a four-level age appropriate format that grows with each young athlete. Each level is tailored to meet athletes where they are in their playing ability, allowing them to reach their full potential. Level 1 format: **Teach the game through drills-** The ability to execute proper drills enhances skill level and improves athletic foundations. We will utilize drills that enhance skill development.

Tremonton Recreation Itty Bitty Basketball

Welcome to our Itty Bitty Basketball! In this league we hope to introduce the game and basic skills through drills and fun activities. We want to have the kids come in and learn but also to have fun and love the game. We will learn the fundamentals of shooting, passing, dribbling, and defense.

Your child will be assigned a coach and will stay with them throughout the whole 4 weeks. Below is a list of the coaches and their numbers in case you need to get ahold of them. Each player will receive a purple/white reversible jersey the first game day. Please have them wear that every week after that. Make sure your child has an undershirt on so they can easily flip their Jerseys to the other color

Itty Bitty Ball will be held on Tuesday nights at the **Fairgrounds Building**. The Schedule will be as followed:
